ADVERTISEMENT FOR BIDS

Tri-Basin NRD will receive sealed bids for INSTREAM WEIR RECHARGE, until 2:30 PM Central Time, at the office of the Tri-Basin Natural Resources District (NRD), 1723 Burlington St, Holdrege, NE 68949 on the 8th day of May, 2020 at which time and place all bids will be publicly opened and read aloud.

The work required for the project is briefly described as follows:

All materials and labor to construct one structure to allow water to pool behind and infiltrate into the aquifer. The structure will have rip rap on both the up- and downstream sides of the sheet pile weir and the structure will be 4 feet tall, as measured from the existing bed.

Construction Drawings and Specifications will be on file in the office of the Tri-Basin NRD. Copies may be obtained from the NRD or from the office of the Engineer, EA Engineering, Science, and Technology, Inc., PBC (EA), 221 Sun Valley Blvd., Suite D, Lincoln, Nebraska, 68528 for a non-refundable fee of \$35. Contractors may also email EA at rlutz@eaest.com to request a digital copy of the Construction Drawings and Specifications, at no cost to the Contractor. All unsuccessful bidders are requested to return the plans and specifications.

The deadline for questions regarding the bid will be May 1, 2020. Substantial Completion of the work shall be achieved within 90 days of mobilization to the project site and no later than September 4, 2020. Additional bidding information and requirements are provided in the above referenced Specifications.
