TRI-BASIN NATURAL RESOURCES DISTRICT PERSONNEL POLICIES

I. INTRODUCTION

A. Purpose and Use of the Manual

This manual has been prepared to inform the employees of Tri-Basin Natural Resources District ("District") about their responsibilities to the District and its customers, as well as the District's responsibilities and obligations to its employees and customers

B. Organization of the Manual

This manual details how the District functions on a day-to-day basis, from its office hours to its guidelines regarding traveling on District business. It contains an alphabetical index, as well as applicable Appendix Sections with the current factual data necessary to implement the general policies, such as names, titles and location of District personnel, dates of District holidays, etc.

II. OFFICE POLICIES

A. Equal Opportunity Affirmative Action

The District declares and reaffirms a policy of equal employment opportunity, affirmative action in employment and non-discrimination in the provision of all of its services to the public.

1. Equal Employment Opportunity:

The District will make all decisions regarding recruitment, hiring, promotions and all other terms and conditions of employment, without discrimination on the basis of race, color, religion, sex, national origin, age, handicap, marital status, Vietnam-era status, or other factors which lawfully cannot be the basis for employment decisions.

2. Affirmative Action in Employment:

The District undertakes a program of affirmative action, to which good faith efforts will be directed to:

- a) Identify and eliminate employment practices that adversely impact minorities, women and others protected by applicable law, unless these practices can be validly related to occupational qualification;
- b) Replace such practices with others that are based on merit and valid job qualification;
- c) Develop, through special recruitment and other measures, more representative proportions of minorities and women employees where their under-utilization has occurred.

3. Non-discrimination in Services to the Public

The District reaffirms its policy of non-discrimination on the basis of minority status, sex, or other illegal grounds, in the provision of all services to members of the public.

B. Anti-Harassment

1. The District is an equal opportunity employer. Employment decisions are made without regard to an individual's race, creed, color, sex, national origin, age, or disability.
2. Any employee who believes that he/she is being mistreated because of minority or protected status should promptly bring such complaint to the attention of the General Manager or Chairman of the Board. In the event that it is difficult for an employee to bring up the subject of a complaint during office hours, the employee may contact these individuals at home. As far as there may be reason to do so, any complaint will be kept confidential.
3. In the event that an employee believes that he/she is being discriminated against through conduct which constitutes sexual harassment, and in the event that a complaint is brought to the attention of one of the above two designated individuals, a full and complete investigation will be instituted immediately to the extent that is appropriate. However, such investigation will be kept confidential or limited to the persons involved in the situation.
4. Sexual harassment as defined by the Equal Employment Opportunity Commission is "Unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when:
 - a) "Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
 - b) Submission to or rejection of such conduct by an individual is used as the basis for employment decision affecting such individual, or;
 - c) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment."
5. Any employee who brings a complaint to the attention of management shall suffer no retaliation or adverse employment decision as a consequence thereof.

C. Smoking Policy

Smoking is not permitted inside any buildings or vehicles owned by Tri-Basin NRD. Smoking permitted areas may be established where smoking does not endanger life or property, or cause discomfort to others. Smoking permitted areas will be designated only upon employee's request and will be outdoors. Pursuant to the Nebraska Clean Indoor Act as may from time to time be amended. Neb. Rev. Stat. 71-5716 to 71-5734.

D. Drug-Free Work Place

The District is committed to providing an employment environment that is safe and provides appropriate motivation to ensure a creative and productive work force. To this end, the District unequivocally endorses the philosophy that the work place should be free from the detrimental effects of illicit drugs and/or alcohol. To ensure worker safety and work place integrity, the district prohibits the illegal manufacture, possession, distribution or use of controlled substances or alcohol in the work place by its employees.

In an effort to bring about a "Drug-Free Nebraska" and to assure employees of the District a work place free from illegal drugs and their effect, the District will implement the following Drug-Free Work Place Policy.

1. Scope: Applicable to all District employees.
2. Policy: It is unlawful to illegally manufacture, distribute, dispense, possess, be under the influence of, or use a controlled substance in the work place. It is also against District policy to illegally manufacture, distribute, dispense, possess, be under the influence of, or use alcohol in the work place. The District therefore, establishes a Drug-Free Work Place Policy for its employees.
3. Procedures:
 - a) All employees and each new hire will receive a copy of this policy.
 - b) As a condition of employment, all employees must acknowledge that they understand that it is unlawful to illegally manufacture, distribute, dispense, possess, be under the influence of, or use a controlled substance in the work place. It will also state that it is against District policy to illegally manufacture, distribute, dispense, possess, be under the influence of, or use alcohol in the work place. Disciplinary action may be imposed for violations of the Drug Free Work Place Policy.
 - c) If an employee violates the Drug-Free Work Place Policy, disciplinary action may be imposed according to established rules, regulations and employment policies of the District or applicable labor agreement.
 - d) If an employee is convicted of violating any criminal drug statute while in the work place, he or she will be subject to discipline up to and including termination. Alternatively, the District may require the employee to successfully finish a drug abuse program sponsored by an approved private or governmental institution.
 - e) An employee is required to report within five days any criminal drug statute conviction occurring in the work place to his or her immediate supervisor. The supervisor will immediately report such conviction to the General Manager or the District.

All full-time employees shall accrue sick leave of one day (8 hours) per month, which may accumulate throughout the year, but any accrued leave excess of 60 days (480 hours) on the first payroll of each year will be lost. Permanent Part-time employees working 16-39 hours a week will receive prorated Sick Leave with the same accumulation limits.
5. Upon voluntary resignation, lay-off for lack of work or funding, retirement or death, the employee (or beneficiary) shall be paid for his or her unused sick leave (up to a maximum of 480 hours) at a rate of payment based upon his or her regular pay at the time of retirement or death, provided the employee has completed the three-month probationary period.
6. The granting of sick leave is subject to prompt notification. An employee requesting sick leave shall notify their immediate supervisor or supervisor's office as early as possible on each day when he or she does not report to work. A physician's certificate may be required by management at any time when an employee requesting sick leave.
7. An employee injured on the job is entitled to take sick leave; however, the District will pay only the difference between the employee's normal pay and any payment the employee receives from Workmen's Compensation.
8. In the event an employee uses all of his or her sick leave for an on-the-job injury, he or she will be entitled to Workmen's Compensation, if applicable, and disability insurance.
9. Sick leave can be taken in fifteen minute increments or multiples thereof. Occasional absences of 30 minutes or less must be approved by the immediate supervisor. For occasional short absences the employee has the option of making up the time, using sick leave, deducting it from accrued comp time or taking the time off without pay.

C. Family and Medical Leave

1. The Family and Medical Leave Act of 1993 provides for unpaid family or medical leave. An employee is eligible for this leave if he or she has been employed for at least one year by the District and has completed at least 1,250 hours of service with the District

"Serious health condition" shall mean any illness, injury, impairment, or physical or mental condition that requires either inpatient care (an overnight stay) in a hospital, hospice or residential medical care facility, or continuing treatment by or under the supervision of a health provider.
3. An eligible employee is entitled to a total of twenty-six weeks of leave to take care of a spouse, son, daughter, parent, or next of kin who is a member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise outpatient status, or is otherwise on the temporary disability retired list, for serious injury or illness.

An employee returning from such leave because of a serious health condition may be required to provide certification that the employee is able to resume work.
7. An employee who takes such leave must be restored to the position they held at the time their leave began or to an equivalent position with equivalent employment benefits, pay and other terms and conditions of employment. An employee shall not lose employment benefits, which had accrued prior to the date the leave began; however, holiday pay, annual leave and sick leave will not accrue during leave. Health insurance, life insurance, and retirement benefits shall continue during leave, at the same level of coverage and under the same conditions previous to the leave period. Employees granted family or medical leave must report back to work at the end of the leave or be subject to termination. The District may require repayment of insurance premiums paid for the employee if the employee does not return to work, but must notify the employee, in advance and in writing, of the conditions under which payments must be made. Employee repayments for benefits must be made at the same time which they would normally be paid by the employee or on behalf of the employee by the District or according to a payment schedule voluntarily agreed to by the employer and the employee. 3. Each request for leave of absence will be considered on an individual basis, and the granting of a leave will be at the sole discretion of the District.
4. The General Manager may grant employees an unpaid leave of absence, not to exceed 30 calendar days, when such absence will not interfere with the best interest of the District. Requests for leave of absence greater than 30 days must be approved by the Board of Directors. An employee must provide 30 days advance notice in writing when the need for leave is foreseeable.
5. All earned comp time (accounted for first) and accumulated annual leave (accounted for second) must be used prior to a leave of absence. An employee must declare a Leave of Absence after exhausting all Annual Leave and if they will continue to be in a non-pay status.
6. Holiday Pay, sick and annual leave will not accrue during a leave of absence, which exceeds 3 days.
7. Sick leave earned but unused prior to leave of absence will be carried forward upon the employee's return or paid to the employee upon termination, if the employee notifies employer in writing that they will not be returning to work or if they retire or die
8. An employee on leave of absence must pay the full cost of all insurance premiums normally paid by the employee and the District if they wish to continue coverage. If the employee does not pay the total premium while on a leave of absence, they may be required to provide evidence of insurability and in some cases observe a waiting period to be eligible for insurance coverage upon their return to work in a paid status.
9. During the leave of absence, the temporarily vacated position may be filled by either employing a temporary employee or assigning another qualified employee to assume the duties of the position.
10. Military leave and Family Medical Leave are governed by Federal and State Statutes so they are not regulated under this leave of absence policy.

VII. CONTINUATION OF GROUP HEALTH COVERAGE FOR QUALIFIED PERSONS

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires that your group plan allow qualified persons (described below) to continue group health coverage after it would otherwise end. The term "group health coverage" includes any medical, dental, and prescription drugs coverage that are included in the group health plan.

The following is a general summary of COBRA and is intended to provide information about your rights and obligations under COBRA. If you should become eligible for COBRA, you will receive a specific notice and election form.

A. Qualified Persons/Qualifying Events

Continuation of group health coverage must be offered to:

1. A Member (and any covered Dependents) following:
 - a) Termination of employment for a reason other than gross misconduct, or
 - b) Reduction in work hours.

Note: Taking a leave under the federal Family and Medical Leave Act (FMLA) is not a qualifying event under COBRA. A Member qualifies for COBRA when the Member:

- a) Does not return to work after completion of FMLA leave; or
 - b) Notifies the plan holder (employer) of the intent not to return to work during a FMLA leave.
2. A Member's former spouse (and any children) following a divorce or legal separation from the Member.
3. A Member's surviving spouse and/or children following the Member's death.
4. A Member's child following loss of status as a Dependent under the terms of the plan (e.g. attaining the maximum age, marriage, joining the armed forces, etc.)
5. A Member's spouse (and any children) following the Member's enrollment under Medicare and decision to
 - a) Terminate employment
 - b) Reduce work hours; or
 - c) Drop group Health coverage.
6. A Member's child who is born to or placed for adoption with the Member who is on COBRA continuation due to termination of employment or reduction in work

hours.

Note: COBRA continuation is not available to any Member or Dependent who after the date of election becomes enrolled under Medicare or covered under another group health plan and has satisfied the pre-existing exclusion provision.

B. Continuation Period:

Following a qualifying event, group health coverage can continue up to the maximum continuation period. The maximum continuation period for a Member (and any covered Dependents) following a termination of employment or reduction in work hours is 18 months. For a Member's child that is born to or placed for adoption with the Member while on COBRA continuation, the maximum continuation period for that child will be the Member's maximum continuation period.

Following a termination of employment or reduction in work hours, a qualified person who has been determined Disabled by the Social Security Administration either before or within 60 days after a qualifying event may request an 11-month extension of COBRA's continuation. The maximum COBRA continuation will be 29 months (see Section D.)

When a Member becomes enrolled under Medicare before employment terminates, work hours are reduced, or a decision to drop group coverage, the maximum continuation period for the Dependents will be the longer of:

1. 36 months dating back to the Member's enrollment under Medicare; or
2. 18 months from the date of the qualifying event (termination of employment, reduction in work hours, or decision to drop group coverage).

The maximum continuation period for Dependents following a qualifying event described in A. 2. through A. 4. is 36 months.

C. Second Qualifying Events

If during the 18-month continuation period (or 29 months for qualified persons on the Disabled extension), a second qualifying event described in A.2. through A.5. occurs, the maximum continuation period can be extended for the Dependents up to 36 months. That is, following a second qualifying event, Dependents may continue for up to a maximum of 36 months dating from the Member's termination of employment or reduction in work hours.

Note: Dependents must request extended COBRA continuation within 60 days after a second qualifying event occurs.

D. Disabled Extension

Following a termination of employment or reduction in work hours, a qualified person (Member or Dependent) who has been determined disabled by the Social Security Administration either before or within 60 days after a qualifying event may request an extension of COBRA continuation from 18 months to 29 months. The disabled person must submit a written request for the extension to the plan holder (employer) within;

- a) 60 days after receiving the social Security determination
- b) Before the 18-month continuation period ends; otherwise the right to the 11-month extension expires.

The 11-month extension will end the earlier of:

- a) 30 days following the date the person is no longer determined by Social Security to be disabled; or
- b) The date COBRA continuation would normally end (see Section E.)

Qualified family members of the disabled person may also continue coverage during the extension.

E. Termination of COBRA Continuation

COBRA continuation ends the earliest of the following:

1. The date of maximum continuation period ends.
2. The date the qualified person becomes enrolled under Medicare.
3. The end of the last coverage period for which payment was made if payment is not made before the grace period ends (see Section 1.)
4. The date the plan holder's (employer's) group health plan is terminated (and not replaced by another group health plan).
5. The date the qualified person becomes covered by and has satisfied the preexisting exclusion provision of another group health plan.

F. Plan holder (Employer) Notification Requirement

Qualified persons must be notified of the right to elect COBRA continuation within 14 days after a qualifying event. Qualified persons must make written election within 60 days after the later of:

- a) The date group health coverage would normally end, or
- b) The date of the plan holder's (employer's) election notice.

The election notice must be returned to the plan holder (employer) within this 60-day period; otherwise the right to elect COBRA continuation ends.

G. Qualified Person Notification Requirement

Qualified persons must notify the plan holder (employer) within 60 days after:

- a) A divorce or legal separation from the Member, or
- b) The date a child ceases to be a Dependent child under the terms of the plan.

Within 14 days following notice by the qualified person of these qualifying events, the plan holder (employer) must provide the qualified persons with an election notice. Qualified persons must elect continued coverage within this 60-day period after receipt of the election notice, otherwise the right to elect COBRA continuation ends.

H. Monthly Cost

Persons electing COBRA continuation can be required to pay 102% of the cost for the applicable coverage (COBRA permits the inclusion of a 2% billing fee). Persons who qualify for the 11-month extension due to disability can be required to pay 148% of the applicable cost (plus a 2% billing fee) for the 19th through the 29th month of Cobra continuation.

I. Grace Period

Qualified person has 45 days after the initial election to remit the first payment. All other payments (except the first payment) will be timely if made within the grace period of the plan. COBRA continuation will remain in effect during the grace period provided payment is made prior to the end of the grace period.

J. Plan Changes

COBRA continuation will be subject to the same benefit and rate changes as the group plan.

K. Newly Acquired Dependents

A qualified person may elect coverage for a Dependent acquired during COBRA continuation. All enrollment requirements that apply to Dependents of active Members apply to Dependents acquired by qualified persons during COBRA continuation.

Coverage for newly acquired Dependents will end on the same dates as described in Section B. Exception: Coverage for newly acquired Dependents, other than a Member’s Dependent child who is born to or placed for adoption with the Member under A.6., will not be extended as a result of a second qualifying event described in Section C.

L. Individual Purchase (Conversion)

When a qualified person is no longer eligible for COBRA continuation, he/she may apply for Individual Purchase, if available, under the group health plan. Persons who are eligible for similar benefits which would result in over-insurance or whose COBRA continuation ends because payment was not made timely may not purchase conversion. An application for Individual Purchase will be provided 180 days before the end of the maximum continuation period. Application for Individual Purchase, and payment of the required premium, must be made within 31 days after COBRA continuation ends. Dental and vision care coverages are not included with the Individual Purchase option.

M. Core and Noncore Benefits

Qualified persons are eligible to elect group health coverage(s) for which they were covered on the day before the qualifying event. Core means any group health benefit other than dental care. Noncore means dental care. If a qualified person has core and noncore coverage on the day before the qualifying event, they must be allowed to elect either:

- a) Core benefits only, or
- b) Core plus noncore benefits.

However, if the plan allows active Members to elect noncore benefits only or the only benefits available under the plan is noncore, the qualified person may elect only noncore benefits.
