Natural Resources District

LEGAL NOTICE

DATE: August 15, 2024

RE: LEGAL NOTICE - Please publish:
August 20, 2024
August 27, 2024
September 3, 2024

TO: Minden Courier

FROM: Carie B. Lynch
Administrative Secretary

Please forward Proof of Publication for the following Notice:

A public hearing will be held by the Tri-Basin Natural Resources District (NRD) Board of Directors on September 10, 2024, at 7:30 PM in the Board Room at the Tri-Basin NRD Office at 1723 Burlington Street in Holdrege, Nebraska. This hearing is being held to receive testimony from the public about whether to designate portions of the district for groundwater quantity management, particularly: in Kearney County, Township 7N, R 13 W (Eaton) sections 1-36 inclusive, as Phase Two for groundwater quantity management. This designation is being considered because the three-year average of springtime groundwater levels in this township have declined more than five (5) feet below 1981-85 average levels. This township, therefore, meets criteria in the Natural Resources District rules and regulations (rule 8.2.2.1) for designation as a Phase Two groundwater quantity management area.

At said time and place, testimony will be received from all interested persons. Individuals with disabilities may request auxiliary aids and service necessary for participation by contacting the Tri-Basin NRD at (308) 995-6688. An agenda for the hearing is kept continually current and is available for public inspection at the offices of Tri-Basin Natural Resources District at 1723 Burlington Street, Holdrege, Nebraska.

Copies of the district rules and regulations are available during normal business hours at the Tri-Basin NRD Office, 1723 Burlington St., Holdrege, Nebraska. District residents can also read the complete text of the proposed rules on the Tri-Basin NRD web site, www.tribasinrd.org, or receive a copy by mail by calling the NRD toll-free number, (877) 995-6688.

About Tri-Basin Natural Resources District

The Tri-Basin Natural Resources District (NRD) protects lives, property, and the future of Gosper, Phelps, and Kearney counties through stewardship, management, and education programs — ranging from tree planting to groundwater quality and quantity monitoring, from irrigation management to outdoor recreation. Activities and projects of Tri-Basin NRD are reviewed and approved by a locally elected

board of directors. Tri-Basin NRD is one of 23 Natural Resources Districts across Nebraska. For more information, visit tribasinprd.org or call 308.995.6688.
