Request for Proposals

Tri-Basin NRD will receive sealed bids for ALL-HAZARD MITIGATION PLAN UPDATE

Bids for each of these project components will be accepted until 2:30 PM Central Time, Friday, July 8, 2022, at the office of the Tri-Basin Natural Resources District (NRD), 1723 Burlington St, Holdrege, NE 68949. Bids will be presented to the Tri-Basin NRD Board of Directors during their regular meeting on Tuesday, July 12 at 1:30 PM, at which time and place all bids will be publicly opened and read aloud.

The work required for the project is briefly described as follows:

The firm selected will develop the updated All-Hazards Mitigation Plan. The update will include reviewing identified hazards, updating the hazard mitigation goals, identifying existing projects entities are doing or planning to address hazards, identifying updated mitigation options, updating the plan to meet FEMA standards and secure FEMA approval and meeting with participating villages and cities to include the Community Rating System (CRS). A more detailed project description is available upon request.

Proposals should include the firm's past experience in Hazard Mitigation Planning and similar efforts, the firm's approach to the planning effort and a description of how they intend to update the plan and secure support of participating entities if their firm is selected. A scope of services should be provided. Proposals should describe the components of the scope of services and tasks to be completed by both the firm and local sponsors including EMs, NRD and direct and indirect participants, what flexibility the firm will have working with the project, and how the firm intends to assure the plan is thorough and completed.

The proposal should also include the anticipated cost, cost breakdown and timeline for the services offered. It should also address any other strategies, activities and goals planned to obtain an acceptable Updated All-Hazards Mitigation Plan in your proposal. The NRD may select a firm from the proposals submitted or may request additional information from a firm or firms.

No bids shall be withdrawn after opening the bids without consent of the Tri-Basin NRD for a period of thirty days after the scheduled time for closing bids. Tri-Basin NRD reserves the right to reject any or all bids and to waive any formalities in bidding.

Envelopes containing the bids shall be marked as follows:

About Tri-Basin Natural Resources District

Tri-Basin Natural Resources District (NRD) protects lives, property, and the future of Gosper, Phelps, and Kearney counties through a wide-range of stewardship, management, and education programs—from tree planting to groundwater quality and quantity monitoring, from irrigation management to outdoor recreation and more. Activities and projects of Tri-Basin NRD are reviewed and approved by a locally elected board of directors. Tri-Basin NRD is one of 23 Natural Resource Districts across the state. For more information, visit tribasinnrd.org or call (308) 995-6688.
